

# Carried Away - Passion Pit

## Refrain

C | Am F | G (or C?) | Am F :||

## Verse 1

Since my heart is golden, I've got sense to hold in,  
Tempted just to make an ugly scene.  
No, I'm not as proper, My money's in copper.  
Ripped down from the brownstones to the street.

C | Dm :|| x4  
bell = c | d f | c | d e :||

## Pre-Chorus 1

Listen, I'm your friend, don't quote me - But not a friend worth noting.  
Yes, please don't ever note me as your friend.  
Who says we have cold hearts? - Acting out our old parts.  
Dance before my favorite little scene, oh oh oh oh.

C | Dm F :|| bass + piano 1/8 note chords

## Chorus

I get carried away, carried away, from you  
When I'm open and afraid  
Cause I'm sorry, sorry 'bout that  
Sorry 'bout things that I've said  
Always let it get to my head

C Am | Fmaj7 :|| x4

## Verse 2

All your appeal, once again with feeling,  
Higher education making sense.  
Justify your thesis, certain that you need this,  
Tell me what your point is in defense.

C | Dm :|| x4

## Pre-Chorus 2

Listen, I don't really know you - And I don't think I want to  
But I think I can fake it if you can.  
Let's agree there's no need, no more talk of money  
Let's just keep pretending to be friends, oh oh oh

C | Dm F :||

## Chorus x2 (same as above)

C Am | Fmaj7 :|| x8

## Break

Wake up in the morning, wake up in the evening. Wake up when you want to  
'Ccuse no one's really watching. Wish you had something to say about it,  
But we all have problems. We're all having problems, And we all got something to say
