## VERSE 1

Life's too short to even care at all, oh whoa-oh  
I'm losing my mind losing my mind losing control  
These fishes in the sea, they're staring at me oh whoa-oh, oh whoa-oh-oh  
A wet world aches for a beat of a drum, oh whoa, oh

## CHORUS 1

If I could find a way to see this straight I'd run away  
To some fortune that I should have found by now  
I'm waiting for this cough syrup to come down,  
come down

Life's too short to even care at all, oh whoa-oh  
I'm coming up now coming up now out of the blue, oh oh oh oh  
These zombies in the park they're looking for my heart oh whoa-oh, oh whoa-oh-oh  
A dark world aches for a splash of the sun, oh whoa whoa

## CHORUS 2

If I could find a way to see this straight I'd run away  
To some fortune that I should have found by now  
And so I run out to the things they said could restore me  
Restore life the way it should be  
I'm waiting for this cough syrup to come down
