The story of a woman on the morning of a war,

Easily we won't get caught in a cage.
Shao Lin shakin' for the sake of his soul - Everything must go.

Chorus 2

I can't tell you who to idolize.
You think it's almost over but it's only on the rise,
Calling calling for something in the air,
Calling calling I know you must be there.
The story of a woman on the morning of a war
Remind me if you will exactly what we're fighting for
Throw me to the wolves because because there's order in the pack
Throw me to the sky because I know I'm coming back

The story of a woman on the morning of a war,
Remind me if you will exactly what we're fighting for.
Calling calling for something in the air,
Calling calling I know you must be there.
I don't want to be your little research monkey boy,
The creature that I am is only going to destroy.
Throw me to the wolves because there's order in the pack,
Throw me to the sky because I know I'm coming back.
