INTRO

VERSE 1

I saw her, yeah I saw her
With her black tongue tied round the roses
Fist pounding on a vending machine
Toy diamond ring stuck on her finger
With a noose she can hang from the sun
And put it out with her dark sunglasses
Walking crooked down the beach
She spits on the sand where their bones are bleaching

And I know I'm gonna steal her eye
She doesn't even know what's wrong
And I know I'm gonna make her die

And I know I'm gonna steal her eye
Nothing that I wouldn't try

VERSE 2

I saw her, yeah I saw her
With her hands tied back and her rags were burning
Crawling out from a landfilled life
Scrawling her name upon the ceiling
Throw a coin in a fountain of dust
White noise, her ears are ringing
Got a ticket for a midnight hanging
Throw a bullet from a freight train leaving
