

Hey Hey Hey - Michael Franti & Spearhead

VERSE 1

It's been a long time coming that I had to say
When I wake up in the morning all I do is pray
For some guidance and protection on the streets today
And an answer to the questions I ask everyday
So tell me why do the birds that used to fly here
Tell me why do they come to die here?
And all the kids that used to run here
Tell me why do they load their guns here?

D | A | Bm | G :||

I remember in the days when
We were one heart, no need to defend
I just wrap my arms around you
Don't give up, this song is for you

D | A | E | G |

CHORUS

Hey, hey, hey, No matter how life is today
There's just one thing that I got to say
I won't let another moment slip away **[REPEAT]**
I hold on, I'm trying to hold on, I hold on, hold on, hold on

D | A | Bm | G :||

VERSE 2

From the tops of the buildings to the streets below
Between the Wall Street banks and the empty homes
Between the lines of the people standing all in a row
There's a crack in the gutter where a flower grows
Reminding me that everything is possible
Yeah, reminding me that nothing is impossible
You gotta live for the one that you love you know
You gotta love for the life that you live you know

D | A | E | G |

CHORUS (same as above)

BREAK

I hold on, I'm trying to hold on, I hold on, hold on, hold on
Until the morning comes again - I will remain with you my friend
And we will ride until the sun - Goes to the place where it begun
And we will live to laugh and cry another day

Bm | D :|| x4... | A :|| x4

Don't let nobody ever tell you that it couldn't be done
Don't let nobody ever tell you that we couldn't be one
Don't let nobody ever tell you that it shouldn't be sung
Don't let nobody ever tell you you're the only one

D | A | Bm | G :|| (no drums)

CHORUS (same as above)

End on D
