Bb **Eb**
You could never know what it's like.

F **Bb**
Your blood like winter freezes just like ice.

Gm **Cm**
And there's a cold lonely light that shines from you.

Eb **F** **Bb**
You'll wind up like the wreck you hide behind that mask you use.

And did you think this fool could never win?
Well look at me, I'm coming back again.
I got a taste of love in a simple way.
And if you need to know while I'm still standing you just fade a - way.

CHORUS

Bbm7 **Fm7**
Don't you know I'm still standing better than I ever did.
Ebm7 **F#maj7** **Ab**
Looking like a true survivor, feeling like a little kid.

Bbm7 **Fm7**
I'm still standing after all this time.

Ebm7 **F7**
Picking up the pieces of my life without you on my mind.

Bbm **Ebm7** **F7**
I'm still standing. yeah yeah yeah!

Bbm **Ebm7** **F7** **F# - Ab**
I'm still standing. yeah yeah yeah!

Once I never could hope to win.
You starting down the road leaving me again.
The threats you made were meant to cut me down.
And if our love was just a circus you'd be a clown by now.
