

# Let The Day Begin - The Call

**INTRO** (x4 bass + accents, then whole band)

**A | A G-D :||**

## **VERSE 1**

Here's to the babies in a brand new world  
Here's to the beauty of the stars  
Here's to the travellers on the open road  
Here's to the dreamers in the bars  
Here's to the teachers in the crowded rooms  
Here's to the workers in the fields  
Here's to the preachers of the sacred words  
Here's to the drivers at the wheel

## **CHORUS**

**G | D | A | A :||**

Here's to you my little loves with blessings from above  
Now let the day begin [**REPEAT with pause at end**]

## **SOLO x2**

## **VERSE 2**

Here's to the winners of the human race  
Here's to the losers in the game  
Here's to the soldiers of the bitter war  
Here's to the wall that bears their names

## **CHORUS**

**SOLO x8 + INTRO** (x4 bass + accents)

## **VERSE 3**

Here's to the doctors and their healing work  
Here's to the loved ones in their care  
Here's to the strangers on the streets tonight  
Here's to the lonely everywhere  
Here's to the wisdom from the mouths of babes  
Here's to the lions in the cage  
Here's to the struggles of the silent war  
Here's to the closing of the age.

**CHORUS x4... end on A.**
