

Only Love Can Hurt Like This - Paloma Faith

capo 3

Intro/Verse 1

G | G (f#) | Em | Em | C | C :||

I tell myself you don't mean a thing,
And what we got, got no hold on me
But when you're not there I just crumble
I tell myself I don't care that much,
But I feel like I die 'til I feel your touch,
Only love, only love can hurt like this,

Chorus 1

Only love can hurt like this
Must have been a deadly kiss
Only love can hurt like this

Verse 2

Say I wouldn't care if you walked away,
But every time you're there I'm begging you to stay,
When you come close I just tremble
And every time, every time you go,
It's like a knife that cuts right through my soul
Only love, only love can hurt like this,

Chorus 2

Only love can hurt like this
Must have been a deadly kiss
Only love can hurt like this
Only love can hurt like this
Your kisses burn into my skin,
Only love can hurt like this
