

# People Help The People - Birdy (Cherry Ghost)

capo 1

## Intro/Verse 1

God knows what is hiding in those weak and drunken hearts *capo 6*  
Guess he kissed the girls and made them cry  
Those hard-faced queens of misadventure  
God knows what is hiding in those weak and sunken lives  
Fiery throngs of muted angels  
Giving love but getting nothing back, oh

## Chorus

People help the people  
And if you're homesick  
give me your hand and I'll hold it  
People help the people  
And nothing will drag you down  
Oh and if I had a brain,  
Oh and if I had a brain  
I'd be cold as a stone and rich as a fool  
That turned all those good hearts away

## Verse 2

God knows what is hiding in this world of little consequence  
Behind the tears, inside the lies  
A thousand slowly dying sunsets  
God knows what is hiding in those weak and drunken hearts  
Guess the loneliness came knocking  
No one needs to be alone, oh singin'
