Goodbye cold, goodbye rain

And no one knows

Verse 2

Hello beauty, hello strange
Hello wonder, what's your name?
Looking for the sun that Neil Young hung
After the gold rush of 1971
I just found out her ghost left town
The Queen of California is stepping down, down

Instrumental - repeat entire chord progression

Verse 3

If you see her say, "Hello"
Just don't tell me, "I told you so"
Joni wrote Blue in her house by the sea
I gotta believe there's another color waiting on me
To set me free
I just found out her ghost left town
The Queen of California is stepping down, down

Instrumental - repeat entire chord progression
