

# Smile - Lily Allen

## VERSE 1

Gm | Am | Gm | F :||

When you first left me I was wanting more  
But you were kissing that girl next door,  
what cha do that for (what cha do that for)  
When you first left me I didn't know what to say  
I never been on my own that way, just sat by myself all day

## BRIDGE

I was so lost back then  
But with a little help from my friends  
I found a light in the tunnel at the end  
Now you're calling me up on the phone  
So you can have a little whine and a moan  
And it's only because you're feeling alone

## CHORUS

At first when I see you cry,  
yeah it makes me smile, yeah it makes my smile  
At worst I feel bad for a while,  
but then I just smile I go ahead and smile

## VERSE 2

Whenever you see me you say that you want me back  
And I tell you it don't mean jack, no it don't mean jack  
I couldn't stop laughing, no I just couldn't help myself  
See you messed up my mental health I was quite unwell

## BRIDGE + CHORUS
