Verse 1

Sunday morning rain is falling
Steal some covers share some skin
Clouds are shrouding us in moments unforgettable
You twist to fit the mold that I am in
But things just get so crazy living life gets hard to do
And I would gladly hit the road get up and go if I knew
That someday it would bring me back to you
That someday it would bring me back to you

Chorus

That may be all I need
In darkness she is all I see
Come and rest your bones with me
Driving slow on sunday morning
And I never want to leave

Verse 2

Fingers trace your every outline yeah
Paint a picture with my hands
Back and forth we sway like branches in a storm
Change the weather still together when it ends

Chorus (same as above)
