Refrain riff x4, then band F (c) | F (c) | Dm stop 2 3 4 5 6 |

Verse 1

We passed upon the stair, we spoke of was and when.
Although I wasn't there, he said I was his friend.
Which came as some surprise. I spoke into his eyes
I thought you died alone, a long long time ago

Verse 2

I laughed and shook his hand, and made my way back home
I searched for form and land, for years and years I roamed
I gazed a gazely stare at all the millions here
We must have died alone, a long long time ago
