# Train In Vain - The Clash

**Intro:**                                                         **Drums, then A octaves x 4**

**Verse 1**
You say you <u>stand</u> by your man                    **D A :|| x4**  (bass: d c# a)
Tell me something I don't understand
You said you loved me, and that's a fact           **D | Bm | D A | D A |**
The you left me, said you felt trapped
Well, some things you can't explain away          **D | A | Bm | D |**
But the heartache's with me till this day

**Chorus**
You didn't stand by me, no, not at all              **D A :|| x4**
You didn't stand by me, no way

**Verse 2**
All the times when we were close                     **D A :|| x4**
I'll remember these things the most
I see all my dreams come tumblin' down            **D | Bm | D A | D A |**
I can't be happy without you around
So alone, I keep the wolves at bay                   **D | A | Bm | D |**
And there's only one thing I can say

**Chorus**
You didn't stand by me, no, not at all              **D A :|| x4**
You didn't stand by me, no way

**Bridge**
You must explain why this must be                   **A F#m | Bm | D A | D A :||**
Did you lie when you spoke to me?
Did you stand be me? No, not at all                  **D A :||**

**Verse 3**
Now I got a job, but it don't pay                     **D A :|| x4**
I need new clothes, I need somewhere to stay
But without all of these things I can do            **D | Bm | D A | D A |**
But without your love, I won't make it through
But you don't understand my point of view         **D | A | Bm | D |**
I suppose there nothing I can do

**Chorus**                                                        **D A :|| x4**
**Bridge**                                                         **A F#m | Bm | D A | D A :||**
**Chorus**                                                        **D A :|| repeat... end on A**
