## Verse 1

Angie, Angie, when will those clouds all disappear?  
Angie, Angie, where will it lead us from here?  
With no loving in our souls and no money in our coats  
You can't say we're satisfied  
But Angie, Angie, you can't say we never tried

## Verse 2

Angie, you're beautiful, but ain't it time we said good-bye?  
Angie, I still love you, remember all those nights we cried?  
All the dreams we held so close seemed to all go up in smoke  
Let me whisper in your ear  
Angie, Angie, where will it lead us from here?

## Verse 3 (solo first half)

Oh, Angie, don't you weep, all your kisses still taste sweet  
I hate that sadness in your eyes

## Break

But Angie, I still love you, baby  
Ev'rywhere I look I see your eyes  
There ain't a woman that comes close to you  
Come on Baby, dry your eyes
