We, we don't have to worry 'bout nothing

Light it up, like we're the stars of the human race, human race

## Pre-Chorus

When the light's turning down, they don't know what they heard  
Strike the match, play it loud, giving love to the world  
We'll be raising our hands, shining up to the sky  
'Cause we got the fire, fire, fire  
Yeah we got the fire, fire, fire

We don't wanna leave, no. We just wanna be right now (right),  
r-r-right now  
And what we see is everybody's on the floor acting crazy,  
getting loco 'til the lights out  
Music's on, I'm waking up, we fight the fire, then we burn it up  
And it's over now, we got the love, there's no sleeping now,  
no sleeping now, no sleeping
