Verse 1

Well I woke up to the sound of silence
And cries were cutting like knives in a fist fight
And I found you with a bottle of wine
Your head in the curtains
And heart like the Fourth of July
You swore and said, "We are not,
We are not shining stars"
This I know, I never said we are
Though I've never been through hell like that
I've closed enough windows to know you can never look back

Verse 2

So I met up with some friends at the edge of the night
At a bar off 75
And we talked and talked about how our parents will die,
All our neighbors and wives
But I like to think, I can cheat it all
To make up for the times I've been cheated on
And it's nice to know, when I was left for dead
I was found and now I don't roam these streets
I am not the ghost you are to me

Whoa
My head is on fire but my legs are fine
After all they are mine
Lay your clothes down on the floor
Close the door, hold the phone
Show me how no one's ever gonna stop us tonight
