

Cigarette Daydreams - Cage The Elephant

Intro + Verse 1

Did you stand there all alone?
Oh I cannot explain what's going down
I can see you standing next to me
In and out, somewhere else right now

You sigh, look away
I can see it clear as day
Close your eyes, so afraid
Hide behind that baby face
Do do do do do do

Funny how it seems like yesterday
As I recall you were looking out of place
Gathered up your things and slipped away
No time at all I followed you into the hall

Cigarette, daydream
You were only seventeen
So sweet with a mean streak
Nearly brought me to my knees
Do do do do do do

Chorus 2

You can drive all night
Looking for the answers in the pouring rain

If we could find a reason, a reason to change
Looking for the answer
If you could find a reason, a reason to stay
Standing in the pouring rain
