## VERSE 1

Clocks strikes upon the hour  
And the sun begins to fade  
Still enough time to figure out  
How to chase my blues away  
I've done alright up 'til now  
It's the light of day that shows me how  
And when the night falls loneliness calls

## VERSE 2

I've been in love and lost my senses  
Spinning through the town  
Soon or later the fever ends  
And I wind up feeling down  
I need a man who'll take a chance  
On a love that burns hot enough to last  
So when the night falls, my lonely heart calls
