Dancing days are here again  
As the summer evenings grow

I got a woman who knows

I said it's alright. You know it's alright  
I guess it's all in my heart  
You'll be my only, my one and only  
Is that the way it should start?

In the way that you're wearing your clothes  
Sippin" booze is precedent  
As the evening starts to glow
