Verse 1

Times are hard
You're afraid to pay the fee
So you find yourself somebody
Who can do the job for free
When you need a bit of lovin'
Cause your man is out of town
That's the time you get me runnin'
And you know I'll be around

Verse 2

Light the candle
Put the lock upon the door
You have sent the maid home early
Like a thousand times before
Like the castle in its corner
In a medieval game
I foresee terrible trouble
And I stay here just the same
