

# Don't Go Away Mad - Motley Crue

## INTRO

C | / | Dm | / | F | / | C | / |

C | Dm | F | C :||

## VERSE 1

We could sail away or catch a freight train  
Or a rocketship into outer space  
Nothin' left to do, too many things were said  
To ever make it feel like yesterday did  
Seasons must change, Separate paths, separate ways  
If we blame it on anything, Let's blame it on the rain  
I knew it all along, I'd have to write this song  
Too young to fall in love, Guess we knew it all along

C | Dm | F | C :||

## BRIDGE

That's alright, that's okay  
We were walkin' through some youth  
Smilin' through some pain  
That's alright, that's okay  
Let's turn the page my friends called today

Bb | F | C | C :||

## SOLO + VERSE 2

Down from L.A.  
They were shooting pool all night sleeping half the day  
They said I could crash, If I could find my own way  
I told them you were leaving, On a bus to go away

C | Dm | F | C :||

## BRIDGE

That's alright, that's okay  
We were two kids in love trying to find our way  
That's alright, that's okay  
Held our dreams in our hands, let our minds run away  
That's alright, that's okay  
We were walkin' through some youth, smilin' through some pain  
That's alright, let's turn the page  
And remember what I say girl, and it goes this way

Bb | F | C | C :|| x3

Bb | F | G | G |

Girl, don't go away mad...  
Girl, just go away (**REPEAT**)
