

Everywhere - Michelle Branch

INTRO / VERSE 1

Turn it inside out so I can see
The part of you that's drifting over me
And when I wake you're, you're never there
But when I sleep you're, you're everywhere , you're everywhere

Just tell me how I got this far
Just tell me why you're here and who you are
'Cause every time I look you're never there
And every time I sleep you're always there

CHORUS

'Cause you're everywhere to me
And when I close my eyes it's you I see
You're everything I know that makes me believe
I'm not alone, I'm not alone

VERSE 2 - band 1x before vocals

I recognize the way you make me feel
It's hard to think that
You might not be real
I sense it now, the water's getting deep
I try to wash the pain away from me, away from me

CHORUS (same as above)

BREAK/SOLO

I am not alone, Whoa, oh, ooh, oh

VERSE 3

And when I touch your hand
It's then I understand
The beauty that's within
It's now that we begin
You always light my way
I hope there never comes a day
No matter where I go
I always feel you so

CHORUS (same as above)

add... 'Cause you're everywhere to me
And when I catch my breath, it's you I breathe
You're everything I know that makes me believe
I'm not alone

ENDING

You're in everyone I see , So tell me, Do you see me?
