## Verse 1

Woke up in London yesterday  
Found myself in the city near Piccadilly  
Don't really know how I got here  
I got some pictures on my phone  
New names and numbers that I don't know  
Address to places like Abbey Road  
Day turns to night, night turns to whatever we want - We're young enough to say

## Chorus

Oh this has gotta be the good life  
This has gotta be the good life  
This could really be a good life, good life  
Say oh, got this feeling that you can't fight  
Like this city is on fire tonight  
This could really be a good life - A good, good life

## Refrain

Oh, oh, oh, oh

## Verse 2

To my friends in New York, I say hello  
My friends in L.A. they don't know  
Where I've been for the past few years or so  
Paris to China to Colorado  
Sometimes there's airplanes I can't jump out  
Sometimes there's bullcrap that don't work now  
We all got our stories but please tell me-e-e-e - What there is to complain about

## Bridge

When you're happy like a fool - Let it take you over  
When everything is out - You gotta take it in

stop of "You"

## Chorus (same as above) + Refrain

## Break

Hopelessly - I feel like there might be something that I'll miss  
Hopelessly - I feel like the window closes oh so quick  
Hopelessly - I'm taking a mental picture of you now  
'Cause hopelessly - The hope is we have so much to feel good about

no guitars

## Chorus (same as above) + Refrain + Verse 2

stop on "about"
