

Head Over Heels - Tears for Fears

Intro

C | C | D | D :|| x3 piano, guitar, toms

Verse 1

(e) I wanted to be with you alone
And talk about the weather
But traditions I can trace against the child in your face
Won't escape my attention

A9 A | Cmaj7 C :|| x8

You keep your distance with a system of touch
And gentle persuasion
I'm lost in admiration. Could I need you this much?
Oh, you're wasting my time
You're just, just, just wasting time

Chorus

(d) Something happens and I'm head over heels
I never find out, 'Til I'm head over heels
Something happens and I'm head over heels
Don't take my heart, don't break my heart
Don't, don't, don't throw it away

G | Em :|| x3

Refrain + Verse 2

I made a fire, and watching it burn
Yeah, thought of your future
With one foot in the past. Now, just how long will it last?
Now, now, now, have you no ambitions?
My mother and my brothers used to
Breathe in clean air
And dreaming I'm a doctor
It's hard to be a man when there's a gun in your hand
Oh, I feel so

A9 A | Cmaj7 C :|| x10

Chorus

And this is my four-leaf clover
I'm on the line, one open mind
This is my four-leaf clover
