

How to Be a Millionaire - ABC

Intro

Am | G | Dm | Dm :||

Verse 1

I've seen the future, I can't afford it
Tell me the truth sir, someone just bought it
Say Mr. Whispers! Here come the click of dice
Roulette and blackjacks - gonna build us a paradise
Larger than life and twice as ugly
If we have to live there, you'll have to drug me

Am | G | Dm | Dm :|| x3

Bridge

Maybe these luxuries can - only compensate
For all the cards you were dealt at the hands of fate
So tell me!

Em | F | G | Am (d c# e riff) :||

Chorus

Tell me! tell me! How to be (how to be) a millionaire
Tell me! tell me! How to be (how to be) a millionaire
Millionaire. Billionaire. Trillionaire.

Verse 2

Hardly surprising if you might consider
Loyalties go to the highest of bidders
What's my opinion? I'd give you ten to one
Give me a million, a franchise on fun
But there are millions who often get nowhere
And there's just one secret I think you should share
