

I'll Be Waiting - Adele

Intro + Verse 1

Hold me closer one more time,
Say that you love me in your last goodbye,
Please forgive me for my sins,
Yes, I swam dirty waters,
But you pushed me in,
I've seen your face under every sky,
Over every border and on every line,
You know my heart more than I do,
We were the greatest, me and you.

Bridge

But we had time against us,
And miles between us,
The heavens cried, I know I left you speechless,
But now the sky has cleared and it's blue,
And I see my future in you,

Chorus

I'll be waiting for you
When you're ready to love me again,
I put my hands up, I'll do,
Everything different, I'll be better to you.
I'll be waiting for you,
When you're ready to love me again,
I put my hands up, I'll be,
Somebody different, I'll be better to you.

Verse 2

Let me stay here for just one more night,
Build your world around me,
And pull me to the light,
So I can tell you that I was wrong,
I was a child then, but now I'm willing to learn,
