

# Keep Your Head Up - Andy Grammer

## Intro + Verse 1

I've been waiting on the sunset - Bills on my mindset  
I can't deny they're getting high  
Higher than my income - Incomes bread crumbs  
I've been trying to survive  
The glow that the sun gets - Right around sunset  
Helps me realize  
This is just a journey - Drop your worries  
You are gonna turn out fine.

Dm7 C | Am7 G :||

## Pre-Chorus

Oh, you turn out fine.  
Fine, oh, you turn out fine.

Em F | G :||

## Chorus

But you gotta keep your head up, oh,  
And you can let your hair down, eh. **[repeat]**  
I know it's hard, know it's hard,  
To remember sometimes,  
But you gotta keep your head up, oh,  
And you can let your hair down, eh.

Dm7 C | Am7 G :|| x8

## Break

I've got my hands in my pockets,  
Kicking these rocks.  
It's kinda hard to watch this life go by.  
I'm buying into skeptics,  
Skeptics mess with, the confidence in my eyes

Am7 | G :||

## Verse 2

I'm seeing all the angles, starts to get tangled  
I start to compromise  
My life and the purpose - Is it all worth it?  
Am I gonna turn out **fine?**

## Pre-Chorus + Chorus (same as above)

## Break

Only rainbows after rain  
The sun will always come again.  
It's a circle, circling,  
Around again, it comes around again. **[repeat]**

## Chorus + jam (same as above)

... end on Dm7.
