## VERSE 1

In this context, there's no disrespect,  
so, when I bust my rhyme, you break your necks.  
We got five minutes for us to disconnect,  
from all intellect collect the rhythm effect.  
Obstacles are inefficient, follow your intuition,  
free your inner soul and break away from tradition.  
Cause when we beat out, girl it's pulling without.  
You wouldn't believe how we wow it out.  
Burn it till it's burned out.  
Turn it till it's turned out.  
Act up from north, west, east, south.

## VERSE 2

Lose control, of body and soul.  
Don't move too fast, people, just take it slow.  
Don't get ahead, just jump into it.  
You all hear about it, the Peas'll do it.  
Get started, get stupid.  
You'll want me body people will walk you through it.  
Step by step, like an infant new kid.  
Inch by inch with the new solution.  
Transmit hits, with no delusion.  
The feeling's irresistible and that's how we movin'.
