I have no space  
No room to move around  
And this box is getting smaller  
I'm trying to get out  
How did I get so far  
From where I was  
When did I decide  
To lose my way  
Who have I become

I've got a new low, All 52 cards in a row  
I see now that I won't let go, No I won't let go  
Well who am I?, A cold shoulder left to cry  
You feel bad, well so do I, Yeah so do I

I've been right; I've been left  
I've been wrong; I've been left behind  
I've been up, but mostly down [REPEAT]

I can not help feeling like  
I have so much at stake  
So I lock myself inside my head  
And I just run in place  
So many directions  
I don't know which way to go  
I'm so busy doing nothing  
I got nothing to show

I make mistakes  
Just like everybody else  
But instead of letting go of it  
I can't forgive myself  
Well I did my time  
In the window-less box  
Like it or not  
All I got now is today  
Tomorrow ain't here  
And yesterday is gone dead on me anyway
