

Nirvana - The Cult

Refrain

Bm | A | E | D :||

Verse 1

I float through day and night life, well most of the time
Till I hung up my blues on a nail in your wall
It rained flowers when the music began
Love all around when the music is loud

Chorus

Every day, nirvana
Always this way, yeah, yeah, yeah
I wish that every day, nirvana
Always this way

Verse 2

I'm not looking for girls or cheap thrills and pills
Or happy to sit on your merry-go-round, no, no
I don't think there's an easy way out of here
But when the music is loud, we all get down

Chorus

Every day, nirvana
Always this way, always this way, yeah
I wish that every day was like nirvana
Always this way

Always this way, yeah, yeah, yeah
I wish that every, like the sun, nirvana
Always this way, oh yeah, yeah
