**VERSE 3**

No more speed, I'm almost there (riff)  
 Gotta keep cool, now gotta take care (riff)  
 Last car to pass, here I go (riff)  
 And the line of cars drove down real slow (riff)  
 And the radio played that forgotten song (riff)  
 Brenda Lee's coming on strong (riff)  
 and the newsman sang his same old song (riff)  
 One more radar love's gone (riff)

**PRE-CHORUS 1**

When she's lonely and the longing gets too much  
 She sends a cable comin' in from above  
 Don't need no phone at all
