Verse 1

All these kinds of places
Make it seem like it's been ages
Tomorrow some new building will scrape the sky
I love this country dearly - I can feel the ladder clearly
But I never thought I'd be alone to try
Once I was outside Penn station - Selling red and white carnations
We were still alone, my wife and I
Before we marry, save my money - Brought my dear wife over
Now I want to bring my fam-ily state side

Capo 4th C#m | E | Abm | F# :||

Pre-Chorus

But off the boat they stayed a while, then scatter cross the coast
Once a year I'll see them for a week or so at most... I took a walk

E Emaj7 | F#6 F# :||
C Cmaj7 | D6 D :||

Chorus

Take a walk, take a walk, take a walk
Take a walk, oh-oh-oh (repeat)

Verse 2

Practice isn't perfect - With the market cuts and loss
I remind myself that times could be much worse
My wife won't ask me questions - There is not so much to ask
And she'll never flaunt around an empty purse
Once my mother-in-law came - Just to stay a couple nights
Then decided she will stay the rest of her life
I watch my little children, play some board game in the kitchen
And I sit and pray they never feel my strife.

Pre-Chorus

But then my partner called to say the pension funds were gone
He made some bad investments, now the accounts are overdrawn... I took a walk.

Chorus (same as above)

Break

Honey it's your son I think I borrowed just too much
We had taxes, we had bills - We had a lifestyle of fun
And tonight I swear I'll come home - And we'll make love like we're young
And tomorrow you'll cook dinner - For the neighbors and their kids
We can rip apart those socialists - And all their damn taxes
You see I am no criminal - I'm down on both bad knees
I'm just too much a coward - To admit when I'm in need... I took a walk
