

Trojans - Atlas Genius

INTRO / VERSE 1

Take it off, Take it in
Take off all the thoughts of what we've been
Take a look, Hesitate
Take a picture you could never recreate
Write a song, make a note
For the lump that sits inside your throat
Change the locks, change the scene
Change it all but can't change what we've been

It's ok if it's gone

The gates, but it all got away
