**F I F I**

## Verse 1

Many times I've tried to tell you  
Many times I've cried alone  
Always I'm surprised how well you  
Cut my feelings to the bone  
Don't want to leave you really  
I've invested too much time  
To give you up that easy  
To the doubts that complicate your mind

We belong to the light  
We belong to the thunder  
We belong to the sound of the words  
We've both fallen under  
Whatever we deny or embrace  
For worse or for better  
We belong, we belong, we belong together

## Verse 2

Maybe it's a sign of weakness  
When I don't know what to say  
Maybe I just wouldn't know  
What to do with my strength anyway  
Have we become a habit  
Do we distort the facts  
Now there's no looking forward  
Now there's no turning back when you say

## Verse 3

Close your eyes and try to sleep now  
Close your eyes and try to dream  
Clear your mind and do your best  
To try and wash the palette clean  
We can't begin to know it  
How much we really care  
I hear your voice inside me  
I see your face everywhere, still you say
