

We Won't Get Fooled Again - The Who (shortened)

Interlude

A | Dsus4 D :||

Verse 1

We'll be fighting in the streets
With our children at our feet
And the morals that they worship will be gone
And the men who spurred us on
Sit in judgement of all wrong
They decide and the shotgun sings the song

Chorus

I'll tip my hat to the new constitution
Take a bow for the new revolution
Smile and grin at the change all around
Pick up my guitar and play - Just like yesterday
Then I'll get on my knees and pray
We don't get fooled again

We knew it all along
We were liberated from the fold, that's all
And the world looks just the same
And history ain't changed
'Cause the banners, they are flown in the next war

I'll move myself and my family aside
If we happen to be left half alive
I'll get all my papers and smile at the sky
Though I know that the hypnotized never lie - Do ya?
